The Economic and Statistical Adviser, Directorate of Economics and Statistics, Ministry of Agriculture & Irrigation, Government of India, Krishi Bhavan, New Delhi.

Dated, Bhubaneswar, the 11th September 1978

SUBJECT—Orissa Agricultural Statistics, 1977-78

SIR,

I enclose herewith a set of statements on land utilisation pattern (Tentative), source-wise and crop-wise, irrigated area (Tentative) estimates of consumption of chemical fertilisers, estimates of net area sown and gross cropped area and final estimates of area, production and yieldrate of different crops during the Agricultural Year 1977-78 in different districts of Orissa. The estimates of area, production and yieldrate of Rice and Potato are based on sample surveys and crop cutting experiments conducted by the State Bureau of Statistics and Economics.

The corresponding estimates of area, production and yieldrate of different crops for the State for the previous years have also been furnished for indicating the trend.

Yours faithfully,
A. MISHRA

FROM

SHRI A MISHRA, M. A. (Patna)
CHIEF STATISTICIAN

To

The Economic and Statistical Adviser, Directorate of Economics and Statistics, Ministry of Agriculture, Government of India, Krishi Bhawan, New Delhi.

Sir,

SUBJECT—Orissa Agricultural Statistics for the year 1979-80

I enclose herewith a set of statements on land utilisation pattern (tentative), source-wise and crop-wise irrigated area (tentative), data on distribution of seeds and consumption of fertilisers and pesticides and final estimates of area, production and yield rate of different crops during the Agricultural year 1979-80 in different districts of Orissa. The estimates of area, production and yield rate of rice and potato are based on sample surveys and crop cutting experiments conducted by the State Bureau of Statistics and Economics.

The Corresponding estimates of area, production and yield rate of different crops for the State for previous years have also been furnished for indicating the trend.

Yours faithfully,

A. MISHRA
