The Special Secretary/Additional Secretary/ Sectional Head of the RKVY Section will be

the member or all Technical Committee.

The Deputy Director (Statistics) / Deputy Secretary of RKVY Section, Department of A & FE will be the member-convenor of all Technical Committees.

Any Other expert/ technical member/ official can be nominated to the Committee or called by the Chairperson of the Committee for consultation.

The mandate of the Technical Committee

1. Scrutiny of DPR for the new projects with respect to its objectives, cost components and deliverables as per the guidelines, and broad vision of the RKVY Scheme.
2. To check the feasibility and economic viability of the projects, given the location of the project, its agro-climatic zone, availability of enabling resources, and its acceptability by the target group.
3. To check DPRs clearly indicating the year-wise physical & financial targets proposed under each project, with definite timelines, and clear objectives for Agriculture and allied sectors.
4. Scrutiny for overlapping of the proposed project with any other scheme of the State/ Central Govt.
5. Concurrent and mid-term evaluation of the on-going projects Component-wise, concerning its objectives timely completion, and its deliverables.
6. In case of project proposals covering multiple crops and multiple activities involving different Directorates, the Technical committee should be chaired by joint Chairmanship of respective Directors.
7. After the recommendation of the Technical Committee for further process of approval in SLPSC, the concurrence of the Principal Secretary/ Secretary of Agriculture should be obtained. If he desires, he may examine the project proposal once again and offer views for further modification of the DPR before placing it in SLPSC.

Inter alia above the following focused areas may be given due weightage as per RKVY guidelines.

1. Scrutiny regarding value chain addition linked production models that will help increase farmers' income as well as encourage production/productivity.
2. Scrutiny of the projects, whether the project can mitigate the risks of farmers with a focus on additional income generation activities and as per local needs preferably for innovative activities in agriculture and allied sectors.
3. Scrutiny of the projects should focus on, whether the project can empower youth through skill development, innovation and Agri-entrepreneurship based agribusiness models that attract them to agriculture.
4. Scrutiny of projects with focus on coverage of small and marginal farmers, Scheduled Castes, Scheduled Tribes, women and other weaker segments of society.
